**VOLUNTEER NOW
CALL THE CHAMBER OFFICE
AT 782-7021**

Dear Visitor Center Volunteer,

Where does the time go? It just seems like yesterday when I last saw many of you at the Chamber Annual Meeting in November. But I have been fortunate this year, in that several of you have stopped by this winter to say hi and that is appreciated.

For those of you I have not spoken with recently, by now you may have guessed that I am writing to you concerning the Visitor Center. Many of you were so generous with your volunteer time last year at the Center and I am hoping that you will again have time to keep the Center open in 2013.

I was thinking that we would open May 13th and remain open through October 5th. I would like to have coverage on as many days as possible. I am hoping that you can volunteer your time to this project. I am including a list of the times you volunteered last year (**see back of letter**).

Please let me know either way if you can again volunteer. I know some of you were going to talk to friends or others who you thought might be interested in helping out this year and I will call them to ask if they are interested. We desperately need to find more people to volunteer.

I look forward to hearing from you in the near future. Thank you for caring and giving of your time.

Sincerely,

Ellen Gerharz
