

RESOLUTION NO. 119 - 10

**RESOLUTION FOR CONSTRUCTION AGREEMENT
BETWEEN
CITY OF CRESTON AND UNION COUNTY**

Consenting to and approving the plans for the improvement of Secondary Road P27 within the City of Creston, Iowa.

WHEREAS, it is proposed to improve by pavement rehabilitation within the City of Creston, Iowa in accordance with plans filed in the office of the City Clerk of said City of Creston as follows:

Pavement Removal, Earthwork, Subbase Construction, Hot Mix Asphalt Paving, and Granular Shoulders along with other incidental construction identified as Project Number STP-S-C088(42)—5E-88, and

WHEREAS, the Council has informed itself as to the proposed improvement and has examined the plans thereof,

NOW, THEREFORE, BE IT RESOLVED by the Creston City Council as follows:

1. The Council hereby approves the plans for Division I of said project and consents to the improvement in accordance with the plans.
2. The Council hereby agrees to provide the required funds for the construction of the Division I portion of Project Number STP-S-C088(42)—5E-88.
3. The City of Creston will take such legal steps and procedures to a conclusion such legal action and /or proceedings as are now or may hereafter be required.
 - a. To legally establish the grade lines of the street in accordance with, and as shown by the project plans, and to cause any damage accruing therefrom to be determined and paid pursuant to Section 364.15, Code of Iowa.
 - b. To take such steps as may be necessary to secure the consent to the removal of any trees that may interfere with the construction of the project.
 - c. To remove existing and prevent future encroachments and obstructions upon streets or highways covered by the project.
 - d. To remove, or cause to be removed, without expense to the County, all water hydrants, curb boxes, electroliers and cables,

poles, parking meters, traffic signals, and any other facilities or obstructions which interfere with the construction of the project.

All above ground utilities shall be placed as close to the right of way line as practical.

4. Since this project may be partially financed with Federal Aid Funds, the grant of which requires the Iowa Department of Transportation (Iowa DOT) and the County comply with federal laws and regulations with respect thereto, the Council agrees to take such action as may be necessary to comply with such federal laws and regulations. (Approval of the plans by the Council satisfies the requirements of this paragraph.)
5. The Council further agrees that within the limits of the proposed surfacing and for one foot outside thereof, where the City or utility companies may be excavating trenches prior to the proposed surfacing, the City will require that all backfilling and compaction of trenches shall be made in accordance with the Iowa DOT's current Standard Specifications. The work will be subject to the approval of the County.
6. The Council will, by ordinance, prohibit or restrict diagonal parking throughout the project.
7. Upon completion of the project, the Council agrees that:
 - a. Any changes in the physical features of the project will be authorized only after approval has been secured from the County.
 - b. The Council will furnish and erect all signing in accordance with the current Manual on Uniform Traffic Control Devices for Streets and Highways including the necessary signing to prohibit parking on both sides of the street from Station 0+82 to Station 26+46.88.
 - c. All signing shall be approved by the County before placement.

Attest:

Lisa Williamson
City Clerk

J. Woods
Mayor

Passed this 2nd of March, 2010.

UNION COUNTY
PROJECT NO. STP-S-C088(42)-5E-88
