

Rental Housing Inspection Check List

Date received by Public Works _____

Responsibility

Owners shall be responsible to maintain structures and exterior property in compliance with these requirements while the occupants are to be responsible for keeping in a clean, sanitary, and safe condition that which they occupy and control.

Vacant Structures and Land

Vacant structures and land shall be maintained in a clean, safe, secure, and sanitary condition, as provided herein, so as not to cause blighting problems adversely affecting the public health or safety.

Using this Check List

The listing below corresponds to 147.15 PROPERTY MAINTENANCE STANDARDS ENUMERATED, which is available on the Creston City Website (<http://www.crestoniowa.gov/rentalhousinginstructions.htm>) or by request. (Each property owner/manager will be given one copy of the standards, additional copies are available for a \$2.00 fee.) For instance; **Exterior Property Areas** has four (4) sub areas of concern, **Exterior Structure** has eighteen (18) sub areas of concern, etc. Each sub area must be in an approved state before the total area may be **Approved**. Any **Not Approved** check mark, must include an explanation, including the number that is not in compliance. Separate sheets may be used for explanation.
